

School Song

The Childville Senior

Red, white and blue we wear them proud
As with joy we come to school
The Childville Senior, our name rings loud
We are careful to obey each and every rule.

With honour we commit to serve
Our School, our God, our Country
And from this task we shall not swerve
With the blessing of God's bounty.

In Academics and in Sport
We strive to achieve our every goal
At The Childville Senior we are taught
In mind, in body and in soul.

And one day we shall look back
On this our firm foundation
The Childville School sets us on track
To serve God and our nation.

School Song

Nursery & Primary

Childville School, Oh Childville School

Hailed by all for high Standards

In our work and in our play

Lord be glorified we pray

Veni, Veni rising star

In the heart of Nigeria

Lies the School that loves you best

Love you too my Childville School

God, we magnify thy Name

By the day and by the night

Every time we sing and play

Melody of joy you give

Send to us, Lord Jesus Christ

Manifold of joy and peace

In pasture green by the spring

Take our Hands and lead us on
